Technical Sales Representative North East Region, Spain

Lincoln Electric is the world leader in the engineering, design, and manufacturing of advanced arc welding solutions, automated joining, assembly and cutting systems, plasma and oxy-fuel cutting equipment, and has a leading global position in brazing and soldering alloys. Lincoln is recognized as the Welding Expert™ for its leading material science, software development, automation engineering, and application expertise, which advance customers' fabrication capabilities to help them build a better world. Headquartered in Cleveland, Ohio, Lincoln has 56 manufacturing locations in 19 countries and a worldwide network of distributors and sales offices serving customers in over 160 countries.

YOU ARE

A sales professional with minimum 3 years of experience and knowledge of industrial products and distributors.

Spanish and Catalan speaker, with English knowledge.

A person with availability to travel in your day to day.

Specialist in follow up with customers to answer product questions and to identify market potential.

If you bring experience in the Welding field, that will be much appreciated.

WE OFFER

- We are looking for a Technical Sales Representative to cover the North East region of Spain (Catalonia + Balears) to join our iberian sales team.
- We are offering permanent contract and a stable project in Sales area, in an international American company, where you will be part of a strong team, which is focused on client needs.
